Daniella Niyonkuru stars in video on helping women choose engineering as a career

Tuesday, October 3, 2017

SCE masters graduate Daniella Niyonkuru stars in an [excellent video](#) on helping young women choose a career in Engineering and Computer Science. She completed her Master's in Electrical and Computer Engineering under the supervision of Professor [Gabriel Wainer](#). She devotes much of her spare time to mentoring high school girls, striving to show them that a career in tech is not “just for boys.”
